

Preparing Your Students for their visit to Racine Heritage Museum

Before Your Visit:

Preparing Students

Please review the rules of the museum with your students before arriving:

- **Stay with your group**
- **Raise your hand if you have questions** —and please feel free to ask questions
- **Do not bring food, gum or candy into the museum** —you will be asked to throw it away if you do
- **Do not run in the museum** (especially on the stairs — ouch!)
- **Do listen to your guides and follow instructions**
- **Have fun!**
